**Get a Grip on Your Business.**

The Moab Chamber of Commerce is excited to partner with EOS Implementer, **Kristin Donahue**, to help you Get a Grip on your business! Kristin will deliver a powerful presentation that will introduce you to the Six Key Components™ of a successful business and help you apply them in your daily operations.

"Over the last 20 years, I've been working with business owners and leadership teams - whether it's small solo-owned business, or large companies. I've found I have a knack for helping people and teams identify their gap - what's the difference between where you are and where you want to be, and what tools do you need to fill this gap? I love working as an EOS Implementer because it gives me so many tools to help leaders and teams fill their gaps." - Kristin

**IS THIS YOU?**  
Many of the most successful entrepreneurs and business leaders work longer hours and get less return on their investments of time and money.

**Maybe you grapple with some of these challenges:**

- **Lack of control** over time, markets, or your company.
- **People** who don't listen, understand, or follow through.
- **Profit** that's inconsistent and/or there's not enough.
- **Growth** is happening, but you can't break through to the next level.
- **Quick fixes** that come and go, bringing little change with continued frustrations.

At the conclusion of this complimentary workshop, you will walk away with a set of simple, practical tools that you and your leadership team will use immediately to focus on priorities, get clear on issues, and gain traction together, as a healthier leadership team.

# Advertorials in the **AD-VERTISER**

## What is an Advertorial?

An advertorial is a paid advertisement designed to resemble an article, opinion, or testimonial.

In an ongoing effort to celebrate all the freedoms that we enjoy in the United States of America and in Moab, The Ad-Vertiser is accepting advertorials in hopes of providing an avenue for expression and conversation about all things little and large about our community.

### Why the **AD-VERTISER**?

**Cheap and Easy to do.** Phone, walk-in to the office, or email to submit your unique expression of information.

**Quick Turnaround Time.** Submit on Monday and see your message online by Tuesday afternoon and in print on Wednesday of the same week!

**Want to start a conversation or respond to a rumor you heard?** Advertorials need a name and ph# or email included.

**Better than Facebook** because it stays in print and online for one week reaching a wider local audience.

If you can fit your message into 30 words or less, it may be published as a **Community Note** for FREE. These word-only classifieds are for non-profits, community announcements, meeting times, etc.
